## Provider Confirmation for Special Supplemental Benefits for the Chronically III

Please complete this form to verify the member listed below meets eligibility requirements for Special Supplemental Benefits for the Chronically III (SSBCI) as required by CMS.

The following criteria is defined by CMS as a chronically ill enrollee and must be met along with any of the Chronic Conditions listed below (please check all that apply):

- 1. has one or more comorbid and medically complex chronic conditions that is life threatening or significantly limits the overall health or function of the enrollee; and
- 2. has a high risk of hospitalization or other adverse health outcomes; and
- 3. requires intensive care coordination.

Plans are required to verify chronic conditions for members to receive a flexible spending card. Approval will give members a flex card for access to healthy foods, utilities and OTC benefits.

## Instructions

- 1. Complete and sign the provider information section below.
- 2. Submit this form by faxing it to 740.699.6164
